Locate all hardware & components before discarding packaging

1.)

Step.1: Fasten the mounting bracket(A) onto the outlet box using two outlet box screws.

2.)

Step.2: Wire fixture to wires in outlet box. Green copper wire is for ground. And carefully position all wires inside the outlet box.

3.)

Step.3: Place the fixture body(B) against mounting bracket, Align the two holes of the mounting bracket and fixture body, then tighten the screws(C).

4.)

Step.4: Install G9 LED bulb(G) into socket, Position Glass(D) onto the fixture body(B), then secure with socket ring(E) with Glass (D) onto Fixture body(B) by using spanner(F).

Cleaning & Care:

Clean with soft cloth and a mild detergent.
Do not use abrasive cleaner.
