- Available in Natural Aged Brass

LED

DUCHESS

The Duchess collection seamlessly blends traditional brass craftsmanship with modern piastra-style Iceberg glass, illuminated by integrated LED modules. Powered by a commercially rated LED driver with 120-277V input, the low-voltage LEDs deliver a neutral 3000K color temperature. The rectangular tubing frame in Natural Aged Brass softens the contemporary aesthetic, while decorative flat-edge chain links add a touch of elegance. A dual-mount canopy offers flexibility for shorter height profiles or field-adjustable lengths with the included chain.

JOLIE

Clear glass rods elegantly curve to drape over a metal frame, encasing an integrated LED light source within. These ornamental glass rods form a luminous curtain, softly illuminated by the LEDs. The LED light source features an adjustable color temperature, allowing you to effortlessly switch between warm 3000K, neutral 3500K, and cool 4000K settings to suit any ambiance. Suspended by intricately designed chain links, the jewel-like glass skirt adds a touch of sophistication and refinement. Choose from two stunning frame finishes: Natural Aged Brass or Polished Nickel.

LUCERNE

Notably stylish and unique, the Lucerne collection features oblong glossy glass globes with a swirling Marble pattern that exudes sophistication. The distinctive rectangular arms gracefully curve downward, seamlessly blending robust metal fabrication with precision and fluid elegance. Contrasting Black and Natural Aged Brass finishes accentuate the bobeches, adding depth and visual intrigue. Offering versatile installation options, the chandelier can be suspended by a sleek stem or the chain included for various height adjustment.

RIZZO

The Rizzo collection exudes stylish flair and spirited design, combining faceted metal shades in Natural Aged Brass with striking Matte Black accents. A flat-bottomed Satin White glass shade protrudes gracefully from the base of each metal shade, delivering soft, inviting light with a touch of elegance. Available in a variety of versatile configurations, the collection includes an articulating 4-arm chandelier, two sizes of stem-hung linear pendants, cord-hung multi-mini pendants, a sleek wall sconce, and a bold, coordinating flush mount. Elevate any space with Rizzo's perfect balance of timeless sophistication and modern edge.

BAYWOOD

Staggered branches of eucalyptus are meticulously linked together to form a tapered bouquet shade, showcasing exceptional handcraftsmanship. Each branch is individually shaped, with the wood finished in a hand-applied Weathered White that beautifully complements the multi-tonal Dark Bronze metal accents. A coordinating large wall sconce echoes this design, reinforcing the collection's cohesive style. This striking combination of natural materials and refined craftsmanship highlights the collection's inherent elegance.

SEACLIFF

The Seacliff collection blends coastal charm with transitional elegance. Its centerpiece features twisted cotton strands, filtering light beautifully while adding texture and visual interest. Above and below the band of cotton twine, an Off-White linen shade softens the glow for a warm, inviting ambiance. The supporting rod is wrapped in matching rope-like material, accented with Natural Aged Brass metal details that elevate the design. Perfect for adding a refined, neutral touch to any space.

AKIMBO

This stylish modern chandelier combines solid wood shades with warm bronze and brass tones for a striking, transitional look. Featuring arms akimbo, the design pairs walnut-stained oak with Satin White glass shades, offering a sophisticated blend of materials and providing glare-free, ambient lighting. A coordinating swing-arm wall sconce extends horizontally with a sturdy, attractive arm structure. A simpler two light wall sconce also pairs well with the collection. Finished in a two-tone Dark Bronze and Antique Brass, and complemented by the natural wood tones, this collection easily blends with a variety of styles. LED lamps are included with each fixture, ensuring energy efficiency and convenience.

LOREN

Overlapping handmade pressed glass disks mounted on metal frames inspired by Mid-Century Italian design, this collection offers a blend of vintage charm and modern elegance. Choose from Vintage Green glass on a Weathered Brass frame, or Amber glass on a Gunmetal frame, or Textured Clear glass on either frame. The textured glass softens the glare of the bulbs, creating a warm, inviting glow that is enhanced by the colored glass options. Available in both round and linear configurations, these fixtures are ideal for dining tables or living spaces. A coordinating tiered wall sconce completes the collection, providing a cohesive and stylish lighting solution.

BUNDT

With glossy opal white glass shades, this collection brings a graceful, feminine touch to the inverted bowl design inspired by the shape of a bundt cake. Suspended by a decorative circular ring chain, the shade features an acrylic dust cover that encloses the top, keeping the glass pristine. Finished in Natural Aged Brass, the chain and metalwork complement the timeless elegance of the design, while ribbed glass accents add a distinctive, sophisticated detail to the design.

- Glossy opal white glass shade with unique shape adds a feminine touch to the inverted bowl design.
- Acrylic dust diffuser at the top of the shade keeps the glass clean and free of dirt.
- Chain and metalwork in Natural Aged Brass bring a refined, classic elegance to the design.
- Ribbed glass accents enhance the overall aesthetic, adding depth and sophistication.
- Decorative circular ring chain offers a stylish, secure hanging option for various spaces.

DUNE

Featuring a concentric, semicircular ribbed glass pattern, this collection offers a blend of familiar design with contemporary flair. The deeply textured glass refracts light beautifully, diffusing glare while delivering ample functional illumination. Metal accents in a Matte Black finish enhance the modern aesthetic. Available in oversized pendant and flush mount configurations, the collection is ideal for larger spaces, combining bold design with practicality.

KISMET

Touches of biophilic details and charming Satin White glass shades modeled on pleated fabric shades create elegant and approachable lighting fixtures. Finished in a rich hand-applied gold leaf, the elongated frame of the chandelier and upturned sconce takes on unique proportions. This collection was designed in collaboration with the eponymous design duo, Kismet House, whose style is embodied in the nostalgic details represented in the shapes, finishes, and overall concept.

WRIGHT

Inspired by the intricate geometric motifs of the iconic architect, the Wright collection of outdoor lighting features a hexagonal frame with tiered louvers along its hood. Beveled at its edges, the Clear glass panes encase the lighting cluster within a robust die cast aluminum body and aluminum frame. Finished in a rich Black Patina, this outdoor series provides thoughtful touches and rich finishes to make a timelessly elegant lighting collection.

PRAIRIE

A modern interpretation of the arts & crafts movement, this anti-corrosive aluminum frame combines traditional elements with the latest technology. A concealed LED downlight, housed at the top of the frame, casts a striking pattern of light along the wall, adding depth and warmth to any space. Finished in Matte Black, this fixture seamlessly blends timeless design with modern innovation.

STRAND VX

A study in simplicity, this geometric cage lantern features an open, glass-free design with two rectilinear strands that support the top hood. Finished in a contemporary Matte Black and constructed from Maxim's durable Vivex composite, it is built to endure harsh climates, including coastal conditions and extreme sun. A recessed LED module is discreetly housed within the hood, delivering high-lumen output directed downward for dark sky compliance, combining modern form with practical performance.

QUAYSIDE VX

A bold modern design, the Quayside collection features intersecting aluminum frames that elegantly curve to meet at the base. Integrated cutting-edge LED technology provides ample downward lighting while maintaining Dark Sky compliance. Finished in a sleek Matte Black and crafted from Maxim's durable Vivex composite material, these fixtures are engineered to withstand the harshest climates. The collection includes a full range of outdoor lighting solutions, with multiple sconce sizes, a pendant, and a flush mount configuration to suit any exterior space.

CALDERA OUTDOOR

Designed with a recessed optical lens housed in the center of a sloped interior edge, the Caldera collection provides a luminous light source with minimal glare and intriguing beam angle. The collection's flush mounts feature an extremely small profile, extending less than 2" from the ceiling surface. With a diameter of 3.25 inches, the flush mounts also include a mud-in plate for clean architectural finishing applications as well as a cover plate for simpler installations that do not require additional 24 preparation.

- High lumen output with a dramatically reduced glare and optic beam angle lens
- ADA compliant wall sconces
- Dark Sky Compliant downlights
- 120-277V Input
- 3000K Color Temperature
- Dimmable with Triac and ELV at 120V

HALFPIPE

Featuring robust aluminum construction, the Halfpipe collection is designed for commercial applications outdoor. A half round form factor of uniformly illuminated frosted UV-rated acrylic diffuser is framed in Black or Brushed Aluminum metal. Commercially rated, dedicated 120-277V LED components, delivers reliable performance in demanding environments. While ideal for exterior facades, its ADA-compliant extension makes it equally suited for interior spaces such as elevator lobbies, hallways, and meeting rooms.

- Half round UV-rated Matte White acrylic diffuser
- Available in Black or Brushed Aluminum
- 120-277V Input
- 3 in 1 dimming: Triac, ELV
- CCT Selectable: 2700-3000-3500-4000-5000K accessible inside the shade

HELM | 88878

Inspired by the steering wheel of a nautical ship, the Helm fan boasts an impressive 72" blade span and stylish two-tone finishes. Its plywood blades offer dual-sided contrasting finishes, allowing for customizable design. Choose from a Black frame with Natural Aged Brass accents paired with Black and White blades, or a Satin Nickel frame with Sliver and Blackened Walnut blades. The energy-efficient DC motor is operated by a convenient remote control, which magnetically attaches to a standard wall plate. The integrated LED light kit features tunable color temperature, adjustable from warm 2700K to bright 4000K, offering versatile lighting options for any space.

## BOLA | 88811

Modern and chic, the Bola collection elevates the standard fan with its beautifully balanced design. A sleek globe frame seamlessly separates the top DC motor housing from the lower LED light kit, while gracefully curved solid wood blades add a touch of natural sophistication. The energy-efficient DC motor ensures quiet operation, while the included remote control allows you to customize the CCT-tunable LED light, from warm to bright, for the perfect ambiance. Available in 52" blade span and finishes in Matte White, Matte Black, Satin Nickel with white blades, or Natural Aged Brass with white ABS blades. Suitable for dry locations, Bola merges form and function with effortless charm.

## FALCON | 88707 | 88708 | 88717

Combining sleek, modern style with a smaller housing and versatile options. Featuring a streamlined cylinder housing and weatherproof ABS blades, the Falcon is available in multiple technical configurations to suit any application. Choose a high-efficiency DC motor with Wet Location construction, ideal for outdoor use, paired with a hardwired DC wall control, or opt for more economical AC motor options with pull chain or wall control configurations. Finishes include Matte Black, Matte White, or Satin Nickel, with the option to elevate the design using Walnut hydro-transferred ABS blades. Damp or Wet Rated, the Falcon is perfect for both indoor and outdoor applications, delivering style and functionality in one sophisticated package.

KEANU | 88753 | 88754 | 88755

Inspired by the effortless rhythm of a gentle breeze, the Keanu fan brings both form and function to indoor and outdoor spaces. Its graceful curve appears like carved wood but it is made of ABS blades designed for durability in Wet Location applications. The energy-efficient DC motor ensures quiet, powerful performance. Offering versatility for any setting, the Keanu is available as a close-to-ceiling hugger or with down rod options, with or without an integrated, CCT-tunable light kit. The LED is adjustable from a warm 2700K to bright 5000K. Choose from Matte White, Matte Black, or Satin Nickel finishes, with Teak wood blade options for Matte White and Walnut wood blades for Matte Black. Complete with a DC wall control, the Keanu delivers a refreshing blend of modern design and year-round comfort.

COVE

The Cove Series offers versatile LED recessed downlighting with a focus on innovative design and easy installation. Featuring a compact remote driver and IC Airtight UL-rated outlet box, Cove eliminates the need for traditional recessed housing, streamlining installation for residential and commercial applications. Its unique concave lens reduces glare by directing light upward, reflecting it back down to deliver smooth, even illumination. Available in multiple sizes, the Cove Series combines modern technology with sleek performance, offering a reliable solution for any lighting environment.

CALDERA

Extremely small in profile, the Caldera extends less than 2" from the ceiling surface with a recessed optical lens housed in the center of an angled edge. The result is a bright light source with wide optics and minimal glare. With a diameter of 3.25 inches, the flush mount includes a mud-in plate for architectural finishing as well as a cover plate for simpler installations that do not require additional preparation.

- Available in Black or White
- Range voltage 120-277V
- Clear Optical Lens
- Trim-less Construction or use of cover
