

**PRODUCT DESCRIPTION**

Inspired by old world artisans, the Genoa collection exhibits a combination of fine craftsmanship and attention to detail. From the boldness of the cast metal medallions to the fine intricacy of the hand-painted accents, this collection was designed for the finest of homes. The multi-step process of the Modello finish blends perfect tones of gold and browns in a mottled texture that adds depth and warmth. The hand-painted crystals contrast beautifully with the finish and add graceful elegance. The Mocha Cloud glass found on some models casts a beautiful soft light in the room.
