

PRODUCT DESCRIPTION

Panels of clear ribbed glass are secured with oversized knurled Natural Aged Brass pins on a Matte Black frame. Obscured by the glass texture, the integrated LED is not only soft on the eyes but also provides an abundance of illumination. Varied configurations of linear pendants, flush mounts, desk lamp, and vanity lights round out this collection. The vanity lights feature an easily accessible 5-CCT toggle switch that allows you to set different light color temperatures during or after installation.
