

**PRODUCT DESCRIPTION**

Overlapping handmade pressed glass disks are mounted on metal frames reminiscent to Mid-Century Italian design. Available in finish combinations of Textured Clear or Vintage Green glass on a Weathered Brass frame or Amber glass on a Gunmetal frame. The texture of the glass softens the glare of light bulbs creating a warmer glow that is enhanced with the use of colored glass options. Choose from round or linear configurations that are perfect for applications over a dining table or in living spaces.
