## PRODUCT DESCRIPTION

With solid Die-Cast Aluminum construction and powered by a range voltage input driver, Pathfinder is a high performance down light for commercial and residential installations. Choose from triangular or spherical profiles as they discreetly extend from the wall. Available with a photocell option, these archetypal forms purposely blend into the architectural landscape creating safer spaces that shine light on locations of interest. Available in Black, Architectural Bronze, or Metallic Silver

- Always consult a qualified electrician before installing any lighting product
- Installation Requirements:  
 Ceiling fan attaches to electrical junction box securely anchored and capable of withstanding at least 35 lbs
