PRODUCT DESCRIPTION

For those with smaller spaces in need of a fan, look no further than this Darling Fandelight. Eliminating the fan rod of a typical fandelight, this is the first hugger Fandelight that provides stylish trends with a low profile integrated fan. The combination finish of Natural Aged Brass, Matte Black, and the white fan blades make this a design that delivers trend, not just functionality. Fully dimmable and the Fandelight features can be controlled by the attractive remote provided or through its Wifi-enabled technology.
