

DARLING | 61022

For those with smaller spaces in need of a fan, this is the Darling Fandelight. Eliminating the downrod of a typical fandelight, this hugger Fandelight provides stylish trends with a low profile integrated fan. The combination finish of Natural Aged Brass, Matte Black, and the white fan blades make this a design that delivers trend, not just functionality. Fully dimmable and the features can be controlled by wall control provided or through its Wifi-enabled technology.
