PRODUCT DESCRIPTION

The Cove Series offers versatile LED recessed downlighting with a focus on innovative design and easy installation. Featuring a compact remote driver and IC Airtight UL-rated outlet box, Cove eliminates the need for traditional recessed housing, streamlining installation for residential and commercial applications. Its unique concave lens reduces glare by directing light upward, reflecting it back down to deliver smooth, even illumination. Available in multiple sizes, the Cove Series combines modern technology with sleek performance, offering a reliable solution for any lighting environment.
