

Inspired by the steering wheel of a nautical ship, the Helm fan boasts an impressive 72" blade span and stylish two-tone finishes. Its plywood blades offer dual-sided contrasting finishes, allowing for customizable design. Choose from a Black frame with Natural Aged Brass accents paired with Black and White blades, or a Satin Nickel frame with White and Blackened Walnut blades. The energy-efficient DC motor is operated by a convenient remote control, which magnetically attaches to a standard wall plate. The integrated LED light kit features tunable color temperature, adjustable from warm 2700K to bright 5000K, offering versatile lighting options for any space.
